LMR[®] Express Coaxial Cable Assemblies from Times Microwave Systems

Times Microwave Systems has introduced a new program to supply standard LMR assemblies **to your door within two weeks of order placement.**

These assemblies incorporate the latest connector designs along with new WSB weather seal boots. Now you can experience Times quality with quick-turn delivery. All assemblies are 100% tested for VSWR and IL, protected with dust caps and individually packaged in labeled poly bags. The product meets VSWR of 1.25:1 up to 2.5 GHz and 1.35:1 up to 6.0 GHz (except for the BNC interface which is limited to 2.5 GHz).

The product incorporates a “Smart” part number, unique lot number and is labeled as Times factory-made. The two-week delivery encompasses nine of the most popular cables and connectors. Contact your Times Sales Representative for instant pricing.

<u>Cables</u>	<u>Connectors</u>
LMR-195 LMR-195-DB LMR-195-FR	N, BNC, SMA and TNC
LMR-240 LMR-240-DB LMR-240-FR	N, BNC, QMA, SMA, TNC and 1.0/2.3
LMR-400 LMR-400-DB LMR-400-FR	N, BNC, SMA and TNC

Smart Part Number Example: LMR195NMSM1.0M

Lead time for all other cable-connector combinations to be determined at time of request.

About Times Microwave Systems

Times Microwave Systems has over 70 years of experience in designing innovative, high reliability, coaxial cables and assemblies for demanding interconnection problems. An engineering-oriented company that specializes in the design and manufacture of high performance flexible and semi-rigid coaxial cable, connectors and cable assemblies for RF transmission from HF through microwave frequencies as well as surge arrestors for the protection of RF equipment.
